REPUBLIC OF INDIA AND
THE ASSOCIATION OF SOUTH EAST ASIAN NATIONS**

Preamble

WE, the Heads of State/Government of the Republic of India (India), and Brunei Darussalam, the Kingdom of Cambodia (Cambodia), the Republic of Indonesia (Indonesia), the Lao People's Democratic Republic (Lao PDR), Malaysia, the Union of Myanmar (Myanmar), the Republic of the Philippines (the Philippines), the Republic of Singapore (Singapore), the Kingdom of Thailand (Thailand), the Socialist Republic of Viet Nam (Viet Nam), Member States of the Association of South East Asian Nations (collectively, "ASEAN" or "ASEAN Member States", or individually, "ASEAN Member State");

Recalling that in 2002, we had agreed on the importance of enhancing our close economic cooperation and to work towards an India-ASEAN Regional Trade and Investment Area (RTIA) as a long-term objective;

Desiring to adopt a Framework Agreement on Comprehensive Economic Cooperation (this Agreement) between India and ASEAN (collectively, "the Parties", or individually referring to India or to an ASEAN Member State as a "Party") that is forward-looking in order to forge a closer economic partnership in the 21st century;

Desiring to minimise barriers and deepen economic linkages between the Parties; lower costs; increase intra-regional trade and investment; increase economic efficiency; create a larger market with greater opportunities and larger economies of scale for the businesses of the Parties; and enhance the attractiveness of the Parties to capital and talent;

Recognising the important role and contribution of the business sector in enhancing trade and investment between the Parties and the need to further promote and facilitate their cooperation and utilisation of greater business opportunities provided by the India-ASEAN RTIA;

Recognising the different stages of economic development among ASEAN Member States and the need for flexibility, including the need to facilitate the increasing participation of Cambodia, Lao PDR, Myanmar and Viet Nam (the New ASEAN Member States) in the India-ASEAN economic co-operation and the expansion of their exports, *inter alia*, through the strengthening of their domestic capacity, efficiency and competitiveness;

Reaffirming the rights, obligations and undertakings of the respective parties under the World Trade Organisation (WTO), and other multilateral, regional and bilateral agreements and arrangements; and

Recognising that regional trade arrangements can contribute towards accelerating regional and global liberalisation and as building blocks in the framework of the multilateral trading system,

Have agreed as follows:
