ICC
Indian Chemical Council

IN THE SERVICE OF
INDIAN CHEMICAL AND PETROCHEMICAL INDUSTRY
SINCE 1938

Responsible Care®
OUR COMMITMENT TO SUSTAINABILITY

Indian Chemical Council

(Formerly Indian Chemical Manufacturers Association)

INDIAN CHEMICAL COUNCIL (ICC) is the apex national body representing the USD 220 Billion Chemical and Petrochemical Industry in India.

Founded in the year 1938 by

Acharya P. C. Ray

Rajmitra B. D. Amin

Along with a group of committed industrialists for Promoting the Interests of the Indian Chemical Industry

Indian Chemical Council is dedicated to the Growth and promotion of the Chemical Industry in India.

Indian Chemical Council represents around 500 leading chemical manufactures which represents more than 80 percent of Indian Chemical Sales

ICC : Objectives

- To anticipate and respond to government policy
- To provide better service to members in effective dissemination of information, safety, health and environment issues and monitoring the national and international chemical industry scenario
- To extend and maintain international liaison
- To promote chemical exports vigorously.
- To work towards effective representation of all sectors of the chemical industry
- To help ensure the availability of trained manpower
- To foster R&D culture, quality standards and technology absorption
- To promote and maintain good relations between members of the Association and the Government authorities, other segments of the economy and the public and improve the image of the industry
- To encourage work studies, research, investigations & experiments with the aim of improving the manufacture of chemical products, cost reduction & enhanced productivity
- To organize trade delegations to foreign countries, disseminate trade & commercial information about various countries amongst its members and generally facilitate trade & exchange of know-how in chemicals & petrochemicals
- To promote energy conservation measures in the industry
- To promote the Responsible Care initiative under the structured approach to self-regulation

ICC: Full Member of ICCA in India

The Only Indian Association to become Full Member of **International Council of Chemical Associations (ICCA)**

- ICCA represents Chemical Manufacturers and Producers around the world. ICCA members account for more than 90 percent of Global Chemical Sales

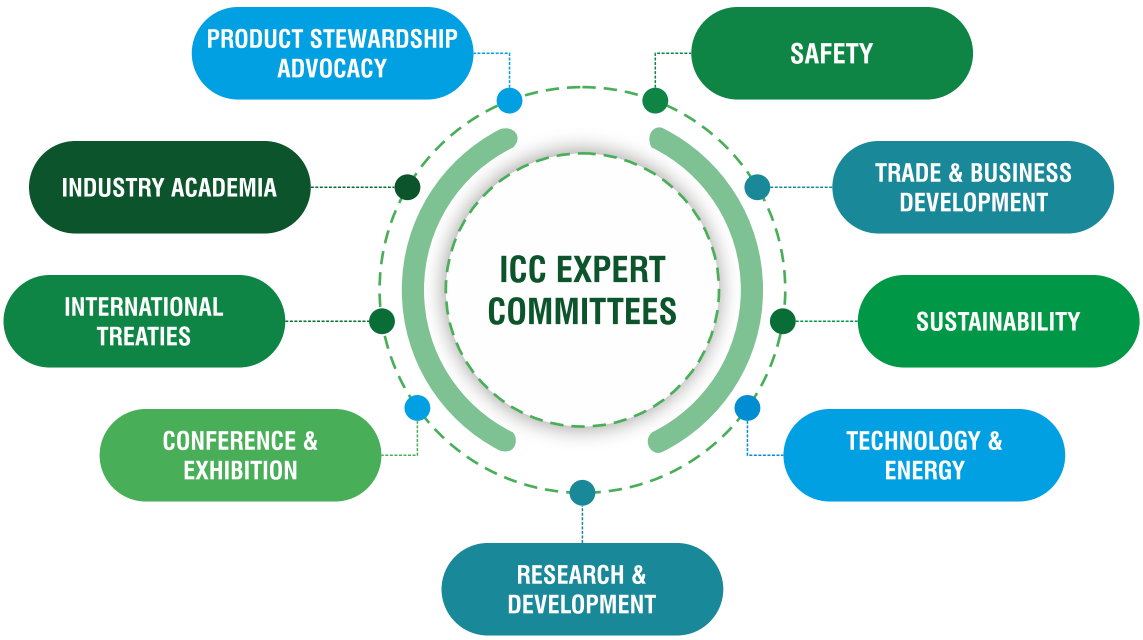

- ICC is represented in the board of ICCA, Association Round Table (ART) and the various leadership groups i.e. Chemicals Policy & Health Leadership Group (CP&H LG), Energy & Climate Change Leadership Group (E&CC LG), Responsible Care Leadership Group (RCLG) and Plastics Leadership Group (PLG) of ICCA

ICC : Services

- Advocacy and Representation with external stakeholders like Government Bodies, members etc.
- Networking and collaboration opportunities
- Awards and Recognition in various facets of chemical industry
- Education and training to enhance skills and knowledge pertaining to chemical Industry
- Issuance a CERTIFICATE OF ORIGIN (Non- Preferential) to exporters
- Issuance of Visa Recommendation Letter to Members
- Legal & Regulatory support Industry
- Industry Promotion and public relations
- International trade support and collaborations
- Economic and statistical analysis
- Developing and promoting Standards and best practices
- Enabling Industry academia collaboration

ICC : Geographical Spread

CHEMICAL NEWS : Official Journal of ICC

CHEMICAL NEWS

Published uninterruptedly since 1956

Major Initiatives

ICC vigorously propagates the principle of **RESPONSIBLE CARE** the International Initiative recognized all over the world including USA, Europe, Japan and China for the Protection of Environment, Safety Health & Security

NICER GLOBE is ICC's Responsible Care initiative for logistics sector where Chemical companies, Logistic Service Providers, Disaster Management Authorities, Emergency Responders and Industry Associations are brought together for safe transportation of hazardous chemicals and improving capabilities for emergency response

Chemical Weapon Convention (CWC)

Indian Chemical Council supports for implementation of The Chemical weapons convention through National Authority Chemical Weapon Convention (NACWC), Cabinet Secretariat, Government of India. Indian Chemical Council operates "ICC-Helpdesks" as an interface between NACWC and Chemical industries/stakeholders for the purpose of Education and Outreach pertaining to information of CWC and to facilitate industries and traders to comply with the provisions of CWC Act-2000.

"ICC Helpdesks" connect with the chemical industries to create awareness about

- International Treaties on Chemical Weapon Convention
- Provisions and obligation of Chemical Weapons Convention Act 2000
- SCOMET regulations regarding export/import of listed chemicals in DGFT notification

Helpdesk(s)	Jurisdiction
HYDERABAD	Andhra Pradesh, Telangana, Karnataka, Kerala, Tamil Nadu & UT of Puducherry
VADODARA	Gujarat and Union Territory- Silvassa
MUMBAI	Maharashtra, Goa, Rajasthan, Madhya Pradesh
DELHI	Northern Region

ICC Events

ICC Flagship Events

- Annual India Chemical Industry Outlook Conference
- Annual India Chemical Industry Sustainability Conclave
- Annual Seminar Recognizing Excellence in Performance in various Facets of Chemical Industry & ICC Awards Presentation Ceremony
- Annual Industry Institution Partnership Summit
- NG LogNext

Other Important Events

- Annual India International Phosgene Conference
- ICC ICT Certificate Course on Safety and Environment for Chemical Industry
- Chemical Engineering for Plant Personnel (CEPP)
- Basic & Advance Course on Chemical Laboratory Safety Practices
- Essentials of Chemical Process Transfer from Laboratory to Pilot Plant
- Achieving Sustainability through Green Chemistry
- R & D conference in chemical industry

Symposiums & Webinars

Throughout the year on various topics including Cutting Edge Technologies, Chemical Regulation, Safety, Environment, Skill Development, Agrochemicals for Sustainable Agriculture

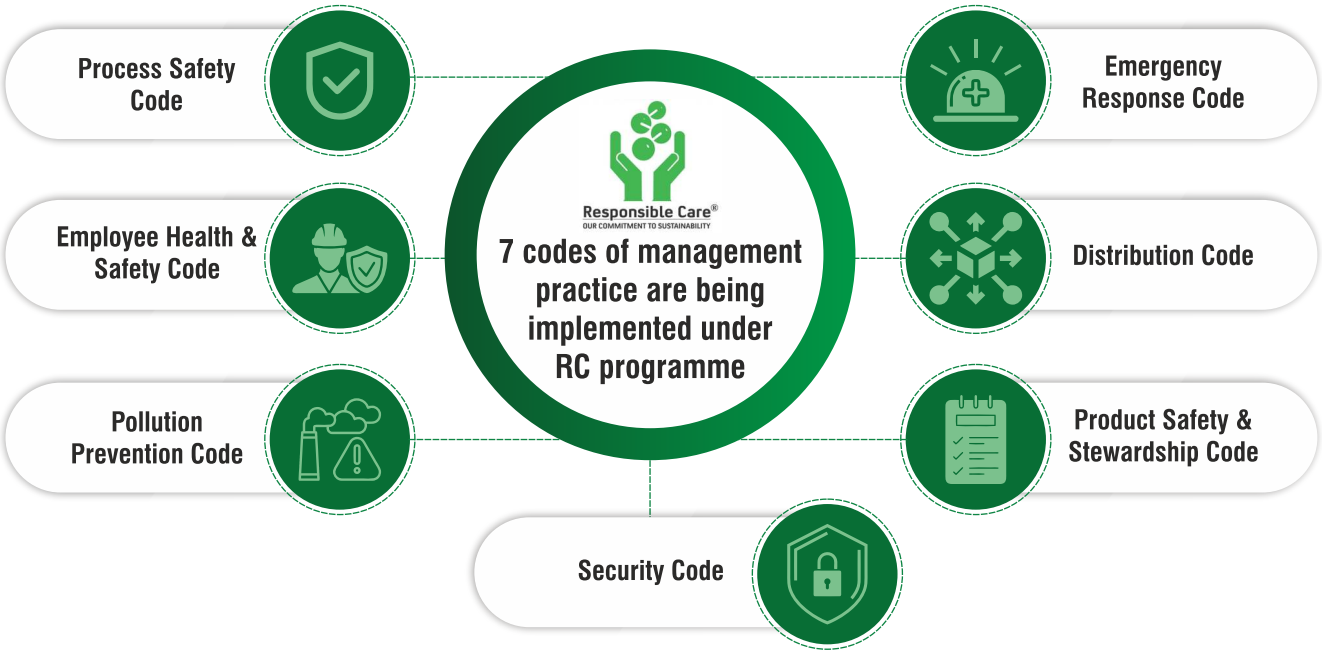

Responsible Care® (RC)

Responsible Care (RC) is the global chemical industry's voluntary initiative to drive continuous improvement in safe chemicals management and achieve excellence in Environmental, Health, Safety and Security (EHS&S) performance

In India, Indian Chemical Council has been the only designated nodal agency by ICCA, for award of RC logo to the industries.

Steps involved in obtaining RC logo

Organization become ICC member → Top Management (CEO/MD) Commit to RC Guiding Principles → Implement Seven Codes of Responsible Care → RC Audit: RC Logo Granted only after the Successful RC Audit

Guiding principles of Responsible Care

- To recognize and respond to community concerns about chemicals and industrial operations
- To develop and produce chemicals that can be manufactured, transported, used and disposed off safely
- To make health, safety and environmental considerations a priority in planning for all existing & new products and processes
- To report promptly to officials, employees, customers and public, information on chemical related health hazards and to recommend protective measures
- To counsel customers on the safe use, transportation and disposal of chemical products
- To operate industries and facilities in a manner that protects the environment, health and safety of employees and public
- To extend knowledge by conducting or supporting research on health, safety and environmental effects of products, processes and waste materials
- To work with others to resolve problems created by past handling and disposal of hazardous substances
- To participate with Government and others in creating responsible laws, regulations and standards to safeguard the community workplace and environment
- To promote principles and practices of Responsible Care by sharing experiences and offering assistance to others, who produce, handle, use, transport or dispose chemicals

Benefits of Responsible Care

- Reduce operation cost
- Timely continuous dissemination of product safety & health information with employees, customers and neighbouring community
- Meet customer requirement consistently while safeguarding their health and property
- Prioritizes environmental measures to reduce the carbon footprints & water consumption and improve energy efficiency

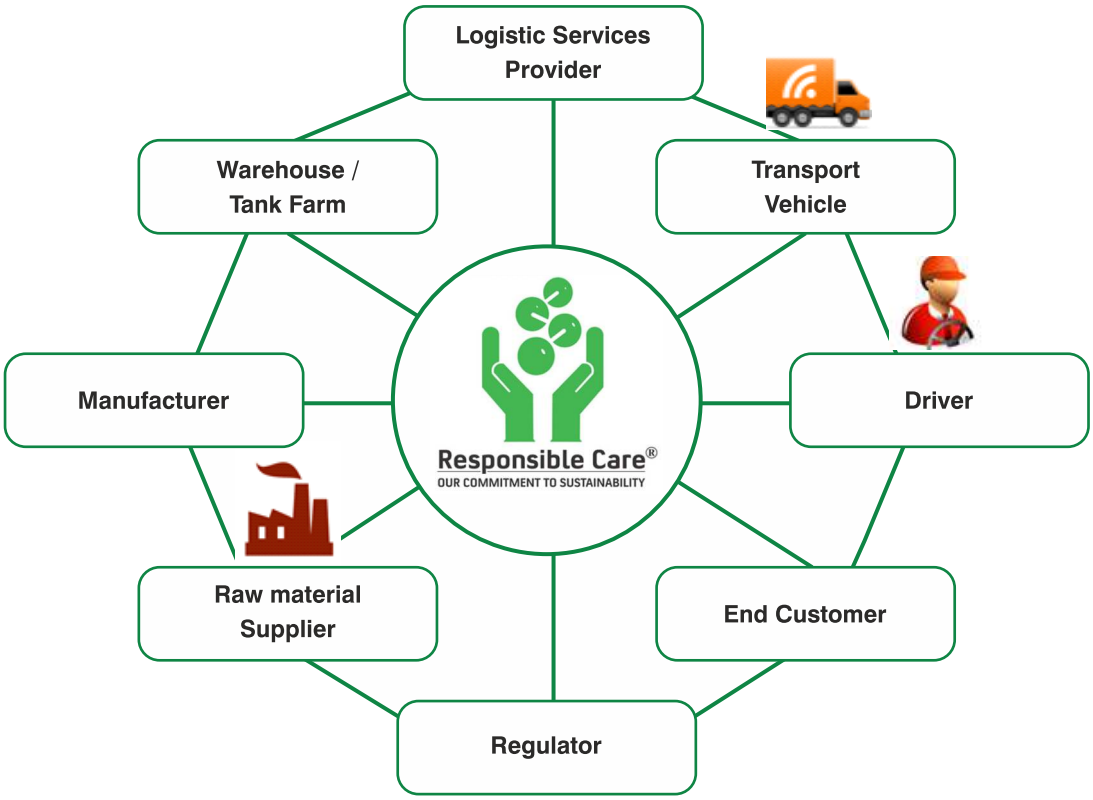

Nicer Globe

Nicer Globe is Indian Chemical Council's Responsible Care initiative for facilitating Transportation and Distribution Safety, Offsite Emergency Response and Transportation Security

Objectives of Nicer Globe

- Provide a cost effective and easy to use technology platform to the chemical industry for improvement in Safety and Security standards in Transportation and efficient 24/7 Emergency Response
- Foster mutual cooperation and collaboration within chemical industry
- Provide a network of Quick Response Teams, pan India for efficient and effective handling and management of offsite transport accidents and incidents

Benefits of Nicer Globe for Chemical Company

- Integration of track and trace data from multiple GPS service providers on a single Nicer Globe Platform.
- 24/7 monitoring and early detection and prevention of violations
- 24/7 services of Emergency Response Control Centre to provide online guidance by trained experts in handling and management of transportation incidents and accidents
- 24/7 services of trained Quick response Teams for Level3 support at the incident site for handling and management of transport incidents/accidents
- Providing daily and monthly violation reports for implementing corrective and preventive actions
- Fast and prompt networking of resources among member industries
- Providing a platform to the chemical industry for representation for advocacy initiatives and collaboration with Government authorities and others agencies

ICC Membership

Membership Categories

Regular Membership

Every person, firm or company manufacturing chemicals shall be eligible to be a member of the Council

For Firms/ Companies having Annual sales Turnover	Subscription Amount +18% GST
One Time Admission Fees	INR 10000/-
Upto INR 5 crore	INR 15750/-
Over INR 5 crore and upto INR 50 crore	INR 42000/-
Over INR 50 crore and upto INR 200 crore	INR 52500/-
Over INR 200 crore and upto INR 500 crore	INR 105000/-
Over INR 500 crore and upto INR 1000 cror	INR 210000/-
Over INR 1000 crore and upto INR 2500 crore	INR 315000/-
Over INR 2500 crore and upto INR 5000 crore	INR 367500/-
Over INR 5000 crore and upto INR 10000 crore	INR 472500/-
Over INR 10000 Crore	INR 787500/-
Any organizations who have applied for membership but not yet started commercial production / marketing and hence there is no sales turnover. *(As soon as production / marketing starts subscription fees shall be applicable on the basis of annual sales turnover)*	INR 15750/-

Life Membership

For Firms/Companies having Annual sales Turnover	Subscription Amount +18% GST
Upto INR 5000 crore	INR 1500000/-
Over INR 5000 crore and upto INR 10000 crore	INR 2500000/-
Over INR 10000 Crore	INR 3500000/-

Patron Membership

One time membership subscription of Rs.50 Lakhs + 18% GST. Patron Member will have permanent seat on the Executive Committee of the Council for 20 years from the date on which payment is made.

Associate Membership

Category I: A firm engaged in trading, marketing, engineering & consultancy, supplying goods to chemical industry, research and development related to chemical industry, activities relevant to chemical industry and the industry Associations

Category II: MSME, SSI (Chemical Manufacturing Units)

For Firms/ Companies having Annual sales Turnover	Subscription Amount +18% GST
One Time Admission Fees	INR 5000/-
Upto INR 5 crore	INR 7875/-
Over INR 5 crore and upto INR 50 crore	INR 21000/-
Over INR 50 crore and upto INR 200 crore	INR 26250/-
Over INR 200 crore and upto INR 500 crore	INR 52500/-
Over INR 500 crore and upto INR 1000 crore	INR 105000/-
Over INR 1000 crore and upto INR 2500 crore	INR 157500/-
Over INR 2500 crore and upto INR 5000 crore	INR 183750/-
Over INR 5000 crore and upto INR 10000 crore	INR 236250/-
Over INR 10000 Crore	INR 393750/-

BANK ACCOUNT DETAILS FOR ONLINE / NEFT PAYMENT

Name of Beneficiary : INDIAN CHEMICAL COUNCIL

Account No & (Type) : 27940200000736 (Current Account)

Name & Address of Bank : Bank of Baroda, Horniman Circle Branch, Mumbai

Branch Code : 2794

IFSC Code : BARB0PBBMUM

MICR Code : 400012111

Swift Code : BARB IN BB BMO)

GST No : 27AAACI0359P1Z9

NOTE : Please mention your Company's GST number in the payment details.
