## INDIA

April 20-21, 2022

Hall 1, Bombay Exhibition Centre

Connecting India to the world

India's most comprehensive trade show for the chemical & allied industries

# ChemExp INDIA

ChemExpo India 2021 is positioned as a comprehensive showcase of Indian capabilities in the broad chemical industry. Exhibitors at the event will come from the bulk, fine and speciality chemical industries, and include Indian as well as international companies.

ChemExpo India 2021 is your company's opportunity to make new business connections, reinforce old ones, showcase your innovations & products, demonstrate technical capabilities, and learn what your peers are doing.

More than 10,000 visitors are expected to attend the event from all parts of India and from across the globe.

Co-located events will showcase capabilities in plant & equipment and chemical logistics.

In addition, a variety of Sponsorship and Speaker opportunities are available to reinforce your presence.
