Responsible Care®
OUR COMMITMENT TO SUSTAINABILITY

ICC RESPONSIBLE CARE (RC)

RC LOGO HOLDERS COMPANYY - 87

RC SIGNATORY COMPANIES - 97

ABOUT RC

- Responsible Care® is the Global Chemical Industry's Voluntary Initiative to drive continuous improvement in safe chemicals management. **To achieve excellence in Environmental, Health, Safety and Security (EHS&S) performance.**
- The International Council of Chemical Associations (ICCA) is the Worldwide Voice of the Chemical Industry and Global Flag bearer of Responsible Care®
- Responsible Care® is a Flagship Programme of **INDIAN CHEMICAL COUNCIL (ICC)** and Nodal Agency for Implementing, Assessing and **Granting Responsible Care® Logo in India**

HOW TO GET RC LOGO

OUR VISION

OUR MISSION

- Organization become ICC member
- Top Management (CEO/MD) Commit for RC Principles
- Implement Seven Codes of Responsible Care
- RC Audit: RC Logo Awarded only after the Successful RC Audit

- Improve the EHS&S performance** of companies
- Create more awareness** about sustainability in chemical manufacturer, warehouses and other value chain

- Covers maximum number of **manufacturing chemical industries under the wing of RC logo**
- Covers maximum number of **chemical warehouse & other supply chain under the RC Associate Certificate Programme**

ICC INITIATIVES FOR IMPLEMENTATION OF RC

- RC NEW AUDIT CERTIFICATION
- RC RECERTIFICATION
- RC TRAINING
- RC MENTORSHIP
- RC GAP ASSESMENT
- SECURITY VULNERABILITY ASSESSMENT (SVA)

BENEFITS TO BECOME RC

- Directly & indirectly improve the company performance and enable the sustainable growth
- International Recognition, in terms of business preference and acceptance
- Improved acceptance by the surrounding community
- Gujarat Pollution Control Board (GPCB) issued GR to offer fast track approval and to prolong the length of consent (2 years) for "RC" compliant industry.
