

Sub: Skill Development Course on “Environmental Sustainability for the MSMEs in the Chemical Sector” a CSR Initiative of the Indian Chemical Council (ICC) to be held on 23 & 24 March 2026 at Minerva Grand Hotel, Secunderabad, Telangana.

Dear All,

Greetings from Indian Chemical Council!!!

Indian Chemical Council (ICC), under its CSR initiative, is pleased to announce a **Skill Development Course on “Environmental Sustainability for the MSMEs in the Chemical Sector”** to be held on 23 & 24 March 2026 at Minerva Grand Hotel, Secunderabad, Telangana.

As regulations are gradually becoming more stringent and expectations from customers and communities grow, environmental sustainability has become critical for business continuity and growth of chemical MSMEs. This programme is designed to strengthen practical understanding, improve compliance preparedness, and support MSMEs in adopting responsible and sustainable practices.

The course is industry-oriented, practical, and aligned with the Indian MSME operating environment, enabling participants to translate learning into actionable improvements at the plant level.

Professionals involved in chemical manufacturing including plant heads and those responsible for environment, safety, and compliance are encouraged to participate. The programme is applicable to all chemical and allied manufacturing units, with a special focus on MSMEs.

Kindly note that there are no delegate fees, but only limited number of registrations will be considered on a first-come, first-served basis, and prior registration is a pre-requisite.

Please send your registration by email to (iccsro@iccmil.in CC: iccmumbai@iccmil.in), as per the format given below:

Delegate Name	
Designation	
Company Name	
Contact No.	
Email ID	

For any doubt / clarification, kindly contact Mr. Suresh Rajendran (9884086450), Mr. Sahdev Warang (7045761393), Mr. Suyog Yerekar (9987131978)

Thanks & Best Regards,

Indian Chemical Council
