

**Interactive Workshop on
"International Trade Scenario, Foreign Trade Agreements (FTAs),
Non-Tariff Barriers (NTBs), and Investment Opportunities in the Chemical,
Petrochemical and Allied Industries"**

Dear Sir/Madam,

Greetings from Indian Chemical Council (ICC)!

You may kindly be aware that the INDIAN CHEMICAL COUNCIL (ICC) is the apex national body representing more than 80% of India's USD 235 billion chemical and petrochemical industry. ICC represents India as the national body in the International Council of Chemical Associations (ICCA) as a Full Member.

Established in 1938, the Indian Chemical Council (ICC) is dedicated to the growth and development of the Indian chemical industry. Over the years, ICC has expanded its functions and offerings to cater to the evolving needs of the chemical, petrochemical, and allied sectors.

ICC is actively working towards enabling the industry to capitalise on emerging international trade opportunities and address challenges arising from Free Trade Agreements (FTAs), Non-Tariff Barriers (NTBs), and evolving regulatory requirements.

In this regard, ICC is organising an :
