Memorandum of Understanding Between

ETAD[®]

Ecological and Toxicological Association
of Dyes and Organic Pigments Manufacturers

Indian Chemical Council (ICC) And Ecological and Toxicological Association of Dyes and Organic Pigments Manufacturers (ETAD)

This Memorandum of Understanding is made between the Indian Chemical Council (ICC) and ETAD to promote cooperation and common principles of promoting and fostering sustainable development,

Terms and Goals of Agreement:

1. Promote and support the principles, policies and procedures described in Responsible Care.
2. Exchange information about relevant policies and regulations pertaining to the chemical and colorant industry specially with regard to ecology, environment and product safety issues.
3. Provide advice between the two organizations.
4. Act in good faith to implement the terms of the Agreement but not assume any legal obligation in this regard.
5. Neither party will have any financial obligation.

Two copies to be held by each of the sides in witness thereof.

This Agreement shall become effective upon having been signed by both sides.

Signed on _____ at _____
